CRAFTING CORPORATE COUTURE

We are corporate uniform specialists. At CORPQLO we believe that a uniform should showcase the spirit of the organization. Each industry has distinctly different needs; uniforms are visual aids to make that distinction at one glance. And as uniform makers, we are one of the few who are able to make this distinction.

We work towards unifying your workwear expression.

We have the sense and sensitivity to keep abreast of the changing trends. That means your staff workwear can be as modern or classic or the perfect mix n match as you wish them to be. Our team's collective experience builds upon the years of workwear and high end style quotient to make your team wears your brand style.

Uniforms mean nothing until someone lives in them.

At CORPQLO, comfort of the wearer is paramount. She/he must feel confident, comfortable and be able to do their job unhindered. Style and functionality goes hand in hand when we approach a uniform design and development.

Fashions fade, style
is eternal.

The work wear we create is not just unique, it is meant to be
timelessly stylish, comfortable and functional.

As a client CORPQLO gives you abundant choices to pick from. From
our carefully engineered product line that meets every requirement
you would have. To our expert design team to design, develop,
manufacture and tailor your own unique design.

CQ Protect is our line of personal protective equipment. As everyone knows, personal protective equipment, or PPE, is clothing worn to minimize exposure to hazards that cause serious workplace injuries and illnesses. Depending on the workplace, the PPE requires the wearer to be shielded from chemical, radiological, physical, electrical or mechanical hazards. Our PPE include items such as gloves, safety glasses and shoes, earplugs or muffs, hard hats, respirators, or coveralls, vests and full body suits.

Safely forged personal protection.

CQ Protect products are designed and manufactured adhering to highest standard. We make them in clean and reliable fashion and make to be comfortable to encourage constant use.
